

MAP Conference

An added benefit of being a TSN store is you are given a membership for the Motorist Assurance Program (MAP). The MAP program helps you build trusted and transparent relationships with your customers through MAP's communication standards. To better help you understand the program and take full advantage of all the benefits you receive, we are hosting an in-person conference in the Chicago Area for 3 hours in the a.m. This exclusive conference is FREE for Goodyear TSN stores. In addition to learning about the MAP program, you will receive an industry update and learn about the current regulatory landscape and other factors that are impacting our industry.
