AUTOMOTIVE MAINTENANCE & REPAIR ASSOCIATION
TRUST COMES STANDARD

2026 Annual Members' Meeting

Monday, November 2nd - Venetian Room 4201-4

Featuring an important conversation on....

The AI Playbook for Shop Owners:

What if Every Advisor and Technician Performed Like Your Best?

Mark Seng, AAP | MAAP
Vice President
Sales & Marketing Operations

AI is already changing how the best shops handle estimates, parts, diagnostics, and customer communication - and the shops moving first are pulling ahead. Get a plain-English breakdown of what can actually be put to work in shops today - not theory or hype. No jargon, no five-year roadmap - just what's working right now and how to start. Walk away with ideas you can bring back to your shop tomorrow.
